

QuickBooks for Mac Conversion Instructions

QuickBooks Mac 2013-2016

Direct Connect to Web Connect

Introduction

As **Valley Bank and Trust Co. / Western States Bank** completes its system conversion, you will need to modify your QuickBooks settings to ensure the smooth transition of your data. Please reference the dates next to each task as this information is time sensitive. To complete these instructions, you will need your **User ID and Password** for the **Valley Bank and Trust Co. / Western States Bank** website.

It is important that you perform the following instructions exactly as described and in the order presented. If you do not, your service may stop functioning properly. This conversion should take 15–30 minutes.

Documentation and Procedures

Task 1: Conversion Preparation

1. Backup your data file. For instructions to back up your data file, choose **Help** menu and use the Search bar available at top. Search for **Back Up** and follow the instructions. The first time you do a backup, QuickBooks will guide you through setting backup preferences.
2. Download the latest QuickBooks Update. For instructions to download an update, choose **Help** menu and use the Search bar available at top. Search for **Update QuickBooks**, select **Check for QuickBooks Updates** and follow the instructions

Task 2: Connect to **Valley Bank and Trust Co. / Western States Bank** for a final download by **June 17th, 2016, at 4:00pm MST**.

1. Choose **Banking** menu > **Downloaded Transactions**.
2. Choose **Valley Bank and Trust Co. / Western States Bank** from the **Financial Institution** dropdown.
3. Click **Download**.
4. Enter credentials (if required) and click **OK**.
5. Repeat steps 1 – 4 for each account with **Valley Bank and Trust Co. / Western States Bank**.

Task 3: Match Downloaded Transactions

If new transactions were received from your connection, accept all new transactions into the appropriate registers.

If you need assistance matching transactions, choose **Help** menu > **QuickBooks Help**. Search for **Updating Your Register**, select the article with that name and follow the instructions.

Task 4: Deactivate Your Account(s) at **Valley Bank and Trust Co. / Western States Bank** on or after **June 20th, 2016**.

NOTE: All transactions must be matched or added to the register prior to the deactivating of your account(s).

1. Choose **Lists** menu > **Chart of Accounts**.
2. Select the account you want to deactivate.
3. Choose **Edit** menu > **Edit Account**.
4. In the **Edit Account** window, click the **Online Settings** button.
5. In the **Online Account Information** window, choose **Not Enabled** from the **Download Transactions** list and click **Save**.
6. Click **OK** for any dialog boxes that may appear with the deactivation.
7. Repeat steps 2 – 6 for each account at **Valley Bank and Trust Co. / Western States Bank**.

Task 5: Re-activate Your Account(s) at **Western States Bank** on or after **June 20th, 2016**.

1. Log in to www.wsb.bank and download your QuickBooks Web Connect File.

IMPORTANT: Take note of the date you last had a successful connection. If you have overlapping dates in the web-connect process, you may end up with duplicate transactions.

2. Click **File > Import > From Web Connect**.
3. If prompted for connectivity type, select **Web Connect**.
4. The **Account Association** window displays during setup. For each account you wish to download into QuickBooks, click **Select an Account** to choose the appropriate existing account register.

IMPORTANT: Do **NOT** select “**New**” under the action column.

5. Click **Continue**.
6. Click **OK** to any informational prompts.
7. Add or match all downloaded transactions in the **Downloaded Transactions** window.
8. Repeat steps 1 – 7 for each account at **Western States Bank**.

Thank you for making these important changes!
